

***“Active Youth Today for Brighter Youth Tomorrow”***

## ***2024 Fall Community of Diamonds Giving Campaign***

The Community of Diamonds Campaign offers you the opportunity to uplift and support a child, giving them a chance to shine. Giving the gift of philanthropy is a way to show support, encouragement, and empathy.

### ***Kits for Kids Donation***

Every child is a diamond in the rough, and with the right opportunities and support, they can shine their brightest. Through our programs, we help polish these young gems, fostering their growth and potential.

The Kits for Kids include a voucher, given directly to the activity of their choosing, covering registration fees for a variety of activities, including sports, taekwondo, boxing, music classes, Boy/Girl Scouts and other activities. Also included, a voucher for help with necessary gear, equipment, uniforms, and accessories required to participate in these activities. This ensures that every child has the opportunity to engage fully in their chosen extracurricular pursuits.

**\$1,000**  
**Provides 3 Kits**

**\$2,500**  
**Provides 7 Kits**

**\$5,000**  
**Provides 14 Kits**

### ***Impactful Goals:***

#### **ACADEMIC IMPROVEMENT**

Participation in extracurricular activities can enhance academic performance by promoting discipline, time management, and a positive attitude towards learning.

#### **PHYSICAL HEALTH & WELL-BEING**

Engaging in sports and physical activities helps improve physical fitness, reduce obesity rates, and promote overall health among youth. This can lead to reduced risk and a healthier lifestyle.

#### **SOCIAL & EMOTIONAL DEVELOPMENT**

Extracurricular activities offer opportunities for youth to develop social skills, build friendships and enhance their emotional well-being. Foster teamwork, leadership, and resilience.

#### **CAREER & LIFE SKILLS**

Involvement in diverse activities can help youth discover their interest and talents, leading to potential career paths. Skills such as leadership, communication and problem-solving.

**VISION:** Every child will have the same access to school-based and afterschool activities to thrive in their future.

## FOUNDATION FUNDING NEEDS

### Program Director and Assistant - amount needed \$72,800

The success of our programs depends heavily on effective management and coordination. A full-time Program Director and Assistant are essential to ensure our activities run smoothly, reach more families, and have a lasting positive impact on our community. We believe that by investing in these key roles, we can significantly enhance our capacity to serve and uplift the community. Benefits to the Community include Enhanced Program Quality: With dedicated leadership, our programs will become more structured, reliable, and impactful. Increased Reach: More families will benefit from our services due to improved program efficiency and outreach efforts. Sustainable Growth: These positions will help us establish a solid foundation for long-term growth and success.

### Community Center -amount needed \$14,300

For the past 16 months, we have been diligently working on developing this center to serve minority and underprivileged families in our community. The center is designed to offer a variety of after-school activities, including sports, arts, and educational programs, which are crucial for the growth and development of the children and families we serve. To complete the project and ensure the center is fully operational, we require funding for some minor construction, HVAC installation, an ADA-compliant ramp, and gravel for the surrounding area. These enhancements are essential to create a safe, comfortable, and accessible environment for all our participants. Your generous contribution would directly impact the completion of this vital community resource. By supporting our efforts, you are investing in the future of our community and helping to provide essential services that will empower and uplift our residents.

### Active Youth Fund Initiative- amount needed \$30,000

Our community is home to many talented and enthusiastic young individuals who greatly benefit from participating in after-school programs, such as sports, arts, and educational activities. These programs not only provide a safe and constructive environment for our youth but also foster personal growth, teamwork, and academic success. Unfortunately, many families in our community face financial challenges that make it difficult to afford the registration fees required for these programs. Without financial assistance, these children may miss out on valuable opportunities that could significantly impact their future. These contributions will help 100 youth cover these costs and ensure that these youth have the chance to participate, regardless of their financial situation.

### Impactful Goals:

ACADEMIC IMPROVEMENT	PHYSICAL HEALTH & WELL-BEING	SOCIAL & EMOTIONAL DEVELOPMENT	CAREER & LIFE SKILLS
Participation in extracurricular activities can enhance academic performance by promoting discipline, time management, and a positive attitude towards learning.	Engaging in sports and physical activities helps improve physical fitness, reduce obesity rates, and promote overall health among youth. This can lead to reduced risk and a healthier lifestyle.
